

# End of Season Windup 2021-2022

# President's Wrap-Up

I would like to acknowledge our Life Members, TBAWA, Sponsors, local businesses, parents and players.

Without the commitment and support from parents and guardians every week, we wouldn't see our members take the diamond and enjoy playing a sport they enjoy. Parent involvement is major part of ensuring games can go ahead. Thank you to all of you who volunteered to coach, manage, umpire base-coach or score.

To our members who have achieved milestones during the season, Congratulations. Be it 50 games or a new club record, wear your badges with pride.

Congratulations to our Club State teams. All of you performed with courage and dedication.

Joey ballers - we hope you have enjoyed an introduction to Teeball, and made some new friends.

For our U13s this will be the end of their Teeball career. For some it will be the end of a nine-year journey, with many coaches, families and friends along the way. We hope you have made some great memories while learning to work together and succeed in a team environment.

# President's Wrap-Up

I'd like to thank the Committee this season for carrying out a great job dealing with the challenges of ever-changing Covid rules and regulations and the many hours of setup on a weekly basis. We executed a great Pre-State carnival, even when we experienced Melbourne-ish weather. I am proud of the team that have worked together this season, for their support to the Club and ensure the Four F's of Teeball are a priority.

It's been a great season, I hope you've enjoyed it, stay safe and see you on the Diamond.

LET'S GO ROOS, LET'S GO!!!

Their support is vital to our club.

Please support them.
