Helping kids get to first base in sport!

Welcome to the 2023 WJTBC Pre State Carnival. We look forward to you attending the carnival on Sunday 5 February 2023 and we wish all teams the best of luck.

Parking and Access:

Limited street parking is available, please use designated bays (Appendix B) and obey all parking signs as Rangers will be in attendance and are known to issue fines. Please observe clear zones for ambulance access should it be required.

A small carpark is located near the canteen/club room which is restricted for WJTBC Committee and officials of the day.

Spectators must use main access routes as per map during games and should not traverse across fields. Crossing behind the outfield is dangerous and results in lost time for the teams while playing. We thank you for your support in ensuring that all team spectators players and officials are aware of this important safety advise.

Committee:

Wanneroo Joondalup Committee members will be wearing orange club shirts. A committee member will be available at the Canteen / Clubhouse or on duty across various locations throughout the carnival. Please seek us out to help you with any issues or concerns as we are here to make the carnival a success for all. For all urgent matters please call **0477 770 041**, this includes all serious injuries.

First Aid:

Small red first aid bags are available on all ovals for minor injuries, please note that they contain ice packs and stingose too! A medic will be in attendance. (See Appendix B for the locations).

In the Event an ambulance being required for a player, time will be called and the game will cease until deemed safe by the WJTBC Chief Umpire or a WJ Executive Committee Member.
Sunscreen is available for use at the Clubhouse.

Toilets:

Toilets are located next to the canteen in the clubroom and portable toilets will be located according to the attached layout. (Appendix B) Please advise a WJTBC committee member if there is a problem at any time with the toilets.

Games:

WJTBC teams will occupy the 1st base line of the diamond, whether they are listed as the Home team or Away team on the fixtures. In the event of a visiting team playing on the same diamond again, then common sense should prevail, and that team can remain where they are positioned.

Game duration will be 45 minutes. All games will commence and finish on the Plate Umpires Watch. No address before the game just straight out onto the diamond. See Appendix C for Fixtures.

See Appendix A for Home Ground rules.

Teams listed first (Home) on the fixtures are to:

1. Supply Plate Umpire
2. Supply the tee & game ball.
3. Occupy 1st base line.
4. Field first.

Teams listed second (Away) on the fixtures are to:

1. Supply Base Umpire.
2. Occupy 3rd base line.
3. Bat first

Dress/Uniforms:

- All umpires, coaches, base coaches, managers, scorers and players must wear enclosed shoes.
- Plate and Field Umpires will not wear club shirts in the field. A Green Vest will be supplied by WJTBC if required.
- All jewellery must be removed from players. MEDIC Alert requirements exceptions apply, and must be taped securely against the skin.
- Pitchers must wear helmet with face guard and chest plate.
- Batters and base runners of all ages must wear a helmet.
- Out fielders wearing helmets is at the discretion of the plate umpire and based on safety for the fixture.
- No hats are to be worn backwards under helmets.
- Scorers: Each team must provide a scorer for each game. Teams are to supply their own scorebook. Scorecards are not provided as there will be no finals. If an injury occurs, scorers should note this in the scorebook. Minimum information to record:
 - Player's name
 - Time of incident
 - Nature of injury

Incident forms are available at the canteen. See a committee member.

To maximise game time, the following rules are to be followed:

- Pre-match warm up only allowed in the outfield of the diamonds prior to game commencing.
- Fielding team should be on the field ready to play when the Umpire calls for the game to start.
- Changeover of innings should not exceed 1 minute.
- On Umpire's call of "Time and Game", any play in progress will be completed, however no further play is allowed.

Games cont:

- At the completion of the game, the score will revert to last completed innings.
- When a game is completed, players and coaches should vacate the team tents/dugout ASAP to allow the next game to start on time.

For any Umpiring issues please find a WJTBC committee member and they will contact the WJTBC Chief Umpire directly via phone.

Please remember that pre state carnivals are for Players and Umpires to practice their skills. Mistakes will be made, but as we are all volunteering our time for a children's game let's keep a cool head and carry on.

Diamond Equipment:

All games at the 8am timeslot are asked to set up the diamond and tents provided. All games at the final timeslot of the day are asked to pack away the diamond equipment, including tents, and leave at home plate for collection.

- Bases: WJTBC will supply diamond equipment.
- Tees: each team listed first on the fixtures will be responsible for providing the Tee
- Balls: each team listed first on the fixtures will be responsible for providing the game ball.
- Shelters: WJTBC will provide Players Shelter, Scorers Shelter* and Benches (*scorers only)
- Tents/Shade for parents/spectators will NOT be provided. Please note there are limited areas with natural (trees) shade.
- **Shelters should be set up a minimum of half a metre from the Deadball line.** (3x Feet as a guide)

Weather:

The carnival will only be cancelled due to extreme weather. All clubs will be notified as soon as possible by email. Notification will also be advised on our Facebook page.

WJTBC recommend the following:

- All players are to have their own water bottle. A water station will be available at the club rooms. Bottled water can be purchased from the canteen between 7:30am to 6:00pm.
- Sunscreen should be applied to all players/umpires/base coaches and any other persons in the sun. A sunscreen station will be available outside the Clubroom.

Canteen and Vendors:

Please find Appendix C for the Canteen Menu. A Coffee Van, Ice Cream Van and Slushie Cart will be located near the Club house. See Appendix B for the locations.

Smoking/Behaviour:

Smoking, vaping, drinking alcohol, unruly and un-sportsman-like behaviour will not be tolerated at any time at Percy Doyle Reserve. Offenders will be asked to leave the carnival.

- No animals are permitted at Percy Doyle Reserve.

At Wanneroo Joondalup Teeball Club we strive at helping kids get to first base in sport! All Concerns should be directed through to the statecoordinator@wjtbc.org.au through Club officials.

Appendix A:

WJTBC GROUND RULES – Outfield Obstructions:

Diamond 1: Any batted ball that crosses the bunting on the full will be a time call and the batter awarded a home run. Any bouncing/rolling batted ball that crosses the bunting will be a time call and the umpires will confer and together decide the outcome of the play.

Diamond 4: Any batted ball that crosses the footpath on the full will be a time call and the batter awarded a home run. Any bouncing/rolling batted ball that crosses the footpath will be a time call and the umpires will confer and together decide the outcome of the play.

Diamond 7: Any batted ball that enters the trees on the full will be a time call and the batter awarded a home run. Any bouncing/rolling batted ball that enters the trees will be a time call and the umpires will confer and together decide the outcome of the play. No child should retrieve a ball if it enters the road way.

Diamond 8: Any batted ball that crosses the fence on the full will be a time call and the batter awarded a home run. Any bouncing/rolling batted ball that hits the fence will be a time call and the umpires will confer and together decide the outcome of the play. A spotter to be considered and no child should retrieve a ball if it enters the roadway.

All other outfield obstructions will be played out, if deemed safe by the plate umpire. If the umpire believes that a player may be entering a dangerous situation to field a batted ball, (for example running towards a light tower) the umpire will call time and together with the field umpire will determine the outcome of the play.

PLEASE do not cross behind diamonds in the outfield or sit under the trees at the back of the diamonds. You will be in the field of play and the umpire may need to hold play while you move, which ultimately disadvantages the children playing as their game time is cut short.
